

\$61,963.73

How would you like to share \$61,963.73?

TVFCU members did just that for simply using their TVFCU Gold and Standard MasterCards in 2007. In February, amounts totaling \$61,963.73 were applied as credits to members' MasterCard accounts. This amount reflected an increase of more than \$5,000 for the CashBack awarded in 2006.

If you are not familiar with the term CashBack, it is the dollar amount of rebates that are applied to your MasterCard each February. The bonuses are based on the total amount of your qualifying purchases. In other words, TVFCU members are paid when they use their credit union MasterCard. Whether it is used to buy gas, groceries,

dinner or whether you rely on it for those large ticket items like vacations or home improvements, the more you use your card, the more you earn. What's even better is that CashBack is automatic – you don't have to remember to do anything, but use your card! And, what's best is that TVFCU has no annual fees, payments can be made locally, in our office, night drop or online and we have staff, on hand, to assist with individual questions or problems.

Start using your card today, so you can be a part of the CashBack award for 2008. Applications can be found by visiting our office or www.tvfcubatavia.com.

Summer Hours

Summer may officially begin everywhere else on June 21st but at TVFCU, summer starts on May 27th!

Once again, TVFCU will open early to accommodate our members who want to take advantage of getting a head start on their "fun in the sun" with a visit to the credit union. TVFCU's drive thru will open daily at 8:30 am from Tuesday, May 27th until Saturday, August 30th.

Just a reminder that TVFCU will be closed May 24-26 and July 4-5 for Memorial Day and Independence Day, respectively.

Coming Soon to an ATM near you - NO FEES!

Members will soon have the opportunity to use their TVFCU DebitCards in ATMS across the nation, without paying any service fees. That's right, no additional amounts will be charged with your withdrawal when you access ATM's that display the CoOp Financial Services logo. Members will, also, have the ability to go online to learn where

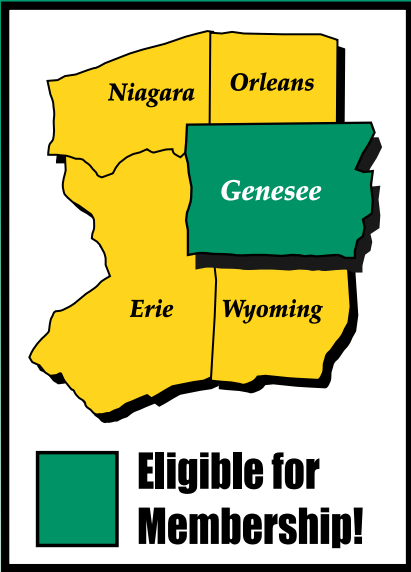

additional ATM's are located, for their daily and traveling convenience. We will keep you informed so you will know as soon as it is possible to benefit from this new addition.

Not familiar with TVFCU DebitCards? You don't know what you're missing!

Not familiar with TVFCU DebitCards? You don't know what you're missing! TVFCU DebitCards act like a check but you don't need your

checkbook. TVFCU DebitCards eliminate the need to carry cash with you and can be used in stores, restaurants, gas stations or to get money out of your checking account or your TVFCU Overdraft Line of Credit. It's, also, possible to get cash back with a purchase, at participating stores.

The next best thing to a TVFCU DebitCard is a TVFCU Overdraft Line of Credit. This allows you a cushion when you make a mistake in your checking account, couldn't make it to the office with a deposit or gives you the comfort of extra funds when you might run short. Overdraft Lines of Credit can be approved for as little as \$250.00 or as much as \$5,000.00. Minimum monthly payments are \$40.00 or you can pay off the LOC as soon as you receive our notice. You make the call. Monthly statements reflect all withdrawals and DebitCard transactions do not just indicate an amount, but accurately describe where they were used, as well.
